BREAKING NEW GROUNDS WITH YOU, FOR YOU.

Started out in 2010 as a small family owned business. Floor Xpert had one thing in mind – which is to bring world class flooring solutions to our customers. We foster close relationships with our homeowners and commercial partners to better understand their needs and concerns.

With a mandate to deliver excellent customer service and product quality, we strive to deliver only the best from pre-consultation right down to after sales services. Today, Floor Xpert has grown rapidly to become one of Singapore’s most renowned and respected luxury flooring company, yet we continue to stay true to our roots and completely focus on our customers.

We are the proud exclusive distributor for the following international prestigious flooring brands:

- Quick-Step
- Lavi
- Heveatech
- Ez Deck
- zSNAP.DECK
- zSNAP.TURF

WHAT IS zSNAP.DECK?

A Spanish decking solution that creates a premium look with the most advance **patented innovations**. Designed with **lasting beauty, incredible durability** and **easy maintenance**, there's no compromising with our high-performance composite decking with none of the trouble of real wood. zSNAP.DECK is splinter-free, do not rot, crack or splits and 100% termite resistant.

THREE PATENTED INNOVATIONS

INNOVATION #1: INVISIBLE PROFILE

The **patented Invisible Profile** gives decking a superior visual impression by offering **an almost sealed surface**. The asymmetric (overlapping) joint **visually hides the clip and base** while allowing water and air to pass. The profile has also been designed to prevent **loss of valuable objects** as well as accumulation of dirt, leaves etc. under the decking.

INNOVATION #2: LOCKING SYSTEM

The **advanced locking system** is the future of decking, its patented design allowing for a secure, **screw-free deck surface**. This system is designed with a **rock-solid aluminium structure** with **improved stability and loading capacity**. With a simple topside installation, it offers **superior grip** which holds the board stronger than a screw but yet **flexible for opening and closing** for future accessibility.

INNOVATION #3: PROTECTIVE SHIELD

The special shielded surface treatment completely encapsulates the board in an impermeable layer of protection that makes the boards **impervious to moisture**, provide **superior UV protection** and **resistance to scratch, fade & mould**. The deck maintains its vibrant look even under the scorching hot sun and accidental red wine spill with **simple cleaning using soap and water**, and **require no sanding, staining and varnishing**.

ASSURANCE WITH OUR WARRANTY GUARANTEE

10
YEAR
WARRANTY
DOMESTIC USE

PRODUCT WARRANTY

Our zSNAP.DECK collection is covered by the following warranties:

- 10-year product warranty
- Lifetime workmanship warranty

Covers material defects in workmanship and materials.

Guarantees products against splits, splinter, rot, decay, termites attack and fungal.

LIFETIME WORKMANSHIP WARRANTY

Only applies to improper installations. Warranties apply only to the first owner and the first installation of the product and are not transferrable. The person deemed to be the first owner is the person stated as the buyer on the purchase invoice.

Valid warranty claims will be honoured by either the replacement of defective product or refund of the perceived value of the product at the point of claim. Product depreciation is at an average rate of 10% per annum. Kindly note that all depreciation value varies per product, at Floor Xpert discretion. Floor Xpert reserves the rights to amend without prior notice.

TECHNICAL DATASHEET

zSNAP.DECK

GENERAL DATA

CLASSIFICATION

	zSNAP.DECK
Dimensions	145 x 22 x 2700 mm
Total Thickness	± 1MM
Country of origin	China
Warranty	10 years' warranty against fungal and mold Lifetime Workmanship Warranty

TECHNICAL DATA

Test condition	Temp.25°C ± -2°C, Humi 50% ± -5%
Density	1.35g/cm ³
Hardness	78
Loading capacity	4500N/459KGS (with 30cm span)
Impact resistance	22.8J/M
Coefficient of thermal expansion	1.14 x 10 ⁻⁵ m/m. °C
Tensile properties	22.5Mpa
Flexural properties	38.2Mpa
Slip resistance	α 16.4° R10
Scratch resistance	20N
Water absorption after 24 hours in wat	0-0.2%
Weathering test after 2000 hours	Δ<2
RoHS Requirement	Pass
Formaldehyde	0
