zSNAP.TURF

zSNAP.TURF is a grass-like ground cover that replicates lush natural grass in appearance and function, and provides a low maintenance, weed-free surface that doesn't need to be watered or fertilized.

What are the advantages of using zSNAP.TURF?

- Softer steps with 35mm yarn length
- Fuller look, thanks to our turf's greater density with 26 stitches per 10cm
- Realistic colour from its natural green vibrancy
- Lasting durability with 1.1kg/sqm of double layer latex backing
- Ease of mind with 5 years' warranty against discolouration and UV degradation
